Experience It! Sahara Desert

Covering over 3 million square miles of northern Africa, the Sahara is said to encompass a staggering 10% of the African continent. It is often referred to as the world's largest desert, but it is actually the largest “hot” desert, losing its overall status to Antarctica. Scientists believe that the Sahara Desert has been inhabited since 6000 B.C. The Egyptians, Phoenicians, Greeks and Europeans are just some of its former residents. Today, the population is around 4 million and consists mainly of nomads who move from place to place as a result of the harsh conditions. Imagine daily life with an average temperature of 86°F. Temperatures can regularly exceed 122°F during the hottest months of the year. Over time, the wind, heat and dry weather has created a tapestry of stunning landscapes that include sand dunes, sand seas (called ergs), barren stone plateaus, gravel plains and salt flats.

Please Note:

Single accommodations are limited and are available on a first come, first served basis.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

Travel with just 24 passengers on this Explorations tour where a smaller group setting means a more personal travel experience.

Triple and child rates are not available.

For your comfort, we recommend bringing walking shoes. If you require a walker or

wheelchair, or have difficulty walking, you may not be able to access some of these areas and may want to consider an alternate program with us. Our travel counselors can provide additional information or assistance to help you determine the perfect trip for you.

The fully equipped Berber-style tents offer beds, linens, pillows, flush toilet, running water, shower and solar lighting to make for an authentic yet enjoyable evening in the desert.
