

Healthcare & Emergency Professions

Why choose a healthcare or emergency professions program at PCC?

- Program graduates are in high demand with opportunities for excellent wages and benefits.
- Variety of training programs ranging from 3 months to 2 year degrees.
- Plus, you can make a difference in the lives of others!

Many of our programs provide hands-on learning opportunities with advanced technology, practical training in clinical settings, and instructors with industry experience. PCC offers a variety of credit and non-credit courses, certificate programs, two-year degrees, and lower-division transfers.
