Free Dental Care
at Portland Community College Dental Clinic

Conveniently Located in Downtown Portland!

The Portland Community College Dental Clinic is dedicated to providing top-quality dental care to members of the community.

Cost

Services at the Dental Clinic are free of charge for all visitors. There are no requirements to qualify for free dental care.

Services

Students provide the following services under the supervision of licensed oral healthcare providers. Our clinic serves patients of all ages.

- Dental Images/X-rays
- Dental Exams
- Oral Hygiene Education
- Dental Cleanings
- Nonsurgical Periodontal Therapy (Deep Cleaning)
- Sealants & Simple Dental Fillings

What to Expect

Appointments typically last three to four hours and may require multiple visits. Appointments are available October through May.

Please note: We are unable to accommodate walk-in appointments or provide emergency care. We do not offer advanced dental treatments such as root canals, extractions, crown or bridge services, TMJ treatment, or large cavity fillings.
