Put the event on your calendar and notify your Local Administrator of the event – you need to attend the workshop or contact your Program Coordinator to arrange another time and place to meet with them to complete your renewal application.

## STEP 6

Before you leave the workshop, upload to the shared drive or the flash drive you are given (if using the program's flash drive, return it to the PACTEC personnel at the workshop.

## STEP 7

If you are unable to complete the application and/or the Crosswalk inform the Program Coordinator and let them know the date you will be completing and sending it to them. Follow through on the completion.

## STEP 8

Be available to answer any questions the Program Coordinator may have as they complete and submit your program renewal. Be prepared with the information that may be needed that you didn't have at the workshop.
