

Very Important Information

First Week Announcements

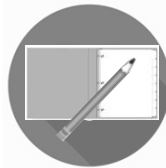

- **Tuition:** Payment for the course is due Friday, September 27th at the business office. We will go to the business office together on Thursday. You may pay any time before Friday, September 27th.

- If students have SNAP benefits or the Oregon Health Plan they can get a fee waiver. They do not have to pay tuition. Bring a document that shows you have SNAP or Oregon Health Plan. The teacher will take a photo of the document and send it to the business office. Do this on the first week of class.

- **Parking:** If you park a car at PCC, you must have a parking permit. Students can buy a parking permit in the business office.

- **Books:** Students need a book and a workbook. If it is too expensive, the textbook can be checked out from the library and the workbook can be purchased separately. The workbook is not available at the library. If you can't get your textbook from the library, tell the teacher. There may be some extras to borrow.

- **Supplies:** Students need to have a 3-ring binder, notebook paper, pencils, textbook, and workbook for class. Plan to bring these with you to every class.
