

Take the Shuttle!

Bicycles Shuttle Etiquette Additional Information

Bike racks with two spaces are available on all shuttle routes on a first-come, first-served basis. Remember to remove loose items from your bike, inform the driver when loading or unloading, and always do so from the curb—never step into traffic!

Please arrive at the pickup location five minutes early and maintain a distance of three feet from the curb. Do not chase a shuttle pulling away. Keep noise levels down, avoid using cell phones near the driver. Refrain from eating or drinking onboard, and using tobacco products on shuttles and at stops.

Shuttles have limited capacity; run on a first-come, first-served basis; and may be affected by traffic and weather. Due to time restrictions, driver cannot make special stops. Shuttle service does not operate on weekends, holidays, or school breaks. Shuttle service DOES run on SAC Inservice Days and for Graduation ceremonies. Wheelchair lifts available on most buses (please call for details).
