

Yes to College GED® - Steps to Enroll

Step 1 — Yes to College Interest Form:

Please complete the Yes to College [Interest Form](#).

Once you have submitted the Interest Form, we will be in touch with you to discuss your eligibility and next steps.

Step 2 — Yes to College Admissions Meeting:

Once you have completed the Interest Form our Outreach & Admissions team will be in touch with you. If you elect to enroll, we will schedule an admissions meeting.

During your admissions meeting we will assist you with completion of the following required items:

1. **PCC Admissions Application**
2. **Yes to College Enrollment Form**
3. **Current High School Transcripts or Age Waiver (if applicable)**
4. **Address Verification or School District Approval (if applicable)**

Step 3 — Complete CASAS testing:

As part of preparing for your classes you will complete **CASAS placement testing** in both **Reading** and **Mathematics**. More information and sign-up links are included on **Page 2**.

Step 4 — Watch the YES to College Student Orientation:

After you have completed Steps 1-3, we will send you an email with the Orientation video. After you watch the video, we will get you connected with your YES to College coach.

Step 5 — Meet with Yes to College, College Success Coach:

Once you have completed Steps 1-4 our Outreach & Intake Coordinator will connect you with your College Success Coach. You will meet with your Coach to finalize your enrollment with Yes to College and to register for your classes.

If you have any questions or need assistance with this process, please contact our Outreach Coordinator at 971-217-7817 (call or text) or adam.clark3@pcc.edu.

Yes to College GED® - Steps to Enroll

Step 3 — Complete CASAS testing:

As part of preparing for your classes, please complete CASAS testing. This is a program requirement for GED-seeking students. It helps us assess your reading and math abilities for program placement and evaluate your progress through the program. Testing can be done in person, on campus, or remotely. Please be aware that remote testing can be booked out 2–4 weeks.

Please take both Reading and Math assessments. Each test takes about 60-90 minutes.

To sign up for the test, you'll need the following information:

- Student name: Your name
- Student ID: Your PCC ID number (starts with a G)
- Email: Either your personal or your PCC email. You will receive test confirmation and instructions at the email you provide.
- College name: Portland Community College

Virtual testing

You can use your laptop, desktop, iPad, tablet, or Samsung phone. Chromebooks and iPhones will not work to take the assessments.

Sign up to take both the Math and the Reading test, and plan for 1.5 hours for each test.

Choose CASAS Goals Reading and CASAS Goals Math

If there is an issue with scheduling your CASAS test, please reach out to your Outreach & Intake Coordinator

Please sign-up and attend your orientation session, even if you have not tested. We understand appointments can be booked out a few weeks in advance.

If you have any questions or need assistance with this process, please contact our Outreach Coordinator at 971-217-7817 (call or text) or adam.clark3@pcc.edu.

In-person testing

Book an in-person testing appointment at your preferred campus.
